

ST. LOUIS MILITARY OFFICER
SUPPORT FOUNDATION

SLMOSF provides fitness and firearms training to men and women from the Greater St. Louis area who have been accepted to, attend or serve as an active duty graduate of the United States Military Academy (USMA, USNA, USAFA or USCGA), R.O.T.C. or Officer Candidate School. These men and women personify the values, dreams and ideals that founded our country and risk their lives to protect it from harm. We encourage you to learn more by visiting our website at www.buildwarriors.org.
